Please join us May 15th for an exciting, fun filled day! Your participation will help support our efforts in preventing alcohol and substance abuse and in treating those individuals who struggle with their own or a loved one's addiction.

HDAP offers a continuum of substance abuse treatment services. We also provide prevention/education, services.

We are a state licensed, non-profit alcohol and substance abuse treatment agency offering out patient and intensive out patient individual, group and family counseling. We also successfully operate the Hunterdon County Intoxicated Driver Resource Center (IDRC). This intervention has proven to be effective in helping to reduce the number of fatalities by drunk drivers. We receive state, county and private funding to ensure everyone who needs treatment receives it.
